Dear Student,

In the mid 1990's the Lord spoke to me about discipling the next generation in the spirit of Elijah's "School of the Prophets". Little did I know that God would begin sending young adults to our ministry from all over the world to participate in a ministry internship at Eagles' Wings. A community of traveling ministers who did life together was born. We began worshipping together and growing together meeting in homes and then traveling to some of the largest churches in the East Coast bringing the presence we carried with us from those house meetings.

Now, after 20 years since that original word the Kairos School of Ministry is being launched out of what started in that discipleship internship program. In the KSOM you will join a community of like minded young adults who prioritize worshipping God and being in His presence.

You will find within this school of ministry community an environment primed for you to grow in the message, gifts, and platform that God has called you to.

The moment is now. This is your Kairos opportunity. Join us at KSOM and see what God does with your life.

Sincerely,

Robert Stearns

- Founder and Director of Eagles' Wings
- President of the Kairos School of Ministry

Our Mission

KSOM awakens lives to the Kingdom of God. KSOM Connects young adults to Legacy, Leadership Training, Jerusalem, and the Tabernacle of David in the heart of the house of prayer to see God's Kingdom come to the Earth.

The presence of God in the Tabernacle of David or House of Prayer is an absolute priority at KSOM. It creates the context and centering point for everything we do at KSOM. KSOM's primary mission is to awaken you to the glorious day that we are living in and to find your purpose in bringing the Kingdom of God to the Earth at this time. KSOM equips missionaries, pastors, teachers, prophets, apostles, evangelists, business men and women, young people to be Kingdom messengers.

Growth Environments

We put YOU in the best environments to grow!

The School’s impact comes from the 4 main environments that Ministry learning happens in. Your Classroom, Your Missional Department Assignment, Ministry Outreach, and Community provides the environment for significant growth to happen in your prophetic leadership. In each environment, you will learn in different ways and be cultivated and transformed into an effective ministry leader.

We have a rich and diverse curriculum that each student goes through during his or her KSOM year. These classes, books, and assignments aid in reinforcing the biblical truths students are learning on a daily basis. We also value the power of mentoring and coaching. Through class instructors, mentors, and lead instructors we take great care to coach and mentor students - not just lecture.

Growth Environments continued...

House of Prayer

Located in the World Prayer Center and at the center of Kairos School of Ministry (KSOM) is the House of Prayer. In the Spirit of the Tabernacle of David, the house of prayer is one of the core values of the KSOM and a significant place of training for future leaders in the Body of Christ. This environment fuels KSOM students to flourish and grows in the Classroom, Missional Department Assignment, Ministry Outreach, and the Community.

Classes

We have a rich and diverse curriculum that each student goes through during his or her school year. These classes, books, and assignments aid in setting a biblical foundation for your life and ministry. Along with our deep lecture team, students will learn from national and international leaders in the Christian, Jewish, and Professional community.

Missional

A key portion of the internship is experiential learning. We consider this one of the most valuable parts of learning. This is where you apply what you are learning in the House of Prayer and in your classes. All students are assigned to a ministry department with a clear job description. This assignment not only provides opportunities to learn and grow in real world job skills, but will also give opportunities to advance God's Kingdom with your life.

Community

Being a part of a Christian community and living with other students in Discipleship Houses, provides continual opportunities to minister to one another and grow in relationships. Also found within our community are leaders who are willing and ready to provide coaching and mentoring in your life to see you be all God has called you to be.

Outreach

Outreach and Ministry are about seeing other people served and impacted by your ministry. You will serve on a ministry team with either Eagles' Wings or The Tabernacle. Serving on a Conference team, weekend ministry trip, prayer meeting, and service projects all provide a well rounded ministry experience for you to grow in your ministry calling and gifts.

Eagles' Wings

Eagles' Wings is a global missional community based outside of Buffalo, NY, with hubs in the New York City area; Karlsruhe, Germany; and Jerusalem, Israel. Our diverse network of relationships spans the globe, and includes nearly 30 full-time team members and an international family of partners, volunteers, and friends.

Our team serves together to touch Israel and The Nations for God, to train Tomorrow's Leaders, and to Unite and Empower Believers to make a difference in their families, churches, and communities.

Eagles' Wings is advancing over a dozen global initiatives including; Day of Prayer for the Peace of Jerusalem, Israel Tours, Israel Experience, The Impact Destiny Team, Regional Conferences, Kairos School of Ministry, Teen Missions Camp, Watchmen on the Wall, The Jerusalem Banquet, and Equipping Resources.

Our Executive Director, Robert Stearns, who is widely recognized as a visionary leader, compelling communicator, gifted strategist, and influential bridge builder has developed the internship program out of desire to see the next generation of leaders be disciplined and empowered to impact the world for Christ.

What Sets KSOM Apart

Kairos School of Ministry is one of many great discipleship and training programs around the world. Each program reflects the unique calling of its leaders and the ministry focus the Lord has given them.

Student Housing

One of our growth environments for KSOM is the discipleship house community. We encourage all 1st & 2nd year students to live on campus in discipleship houses. Something meaningful happens when students are going through this transformational season together while living, working, and ministering along side each other. It just can't be duplicated living on your own. However, situations or circumstances may make it important for a student to live off campus.

On Campus

Where do Students live on campus?

- The students are housed at our Discipleship Houses (Separate housing for men and women)
- Students are put into pairs or groups of three per each room.
- Discipleship Houses are within a short drive of the EW offices and about a 30 min drive from the Tabernacle Church.

Each Discipleship House has a House Leader lead by a 3rd year KSOM Student or KSOM Leadership Team member.

Students are placed in Discipleship Housing with other single EW Staff, other students, and a House Leader. House Leaders are EW Staff members who have demonstrated Leadership qualities and character. They are not compensated for this ministry, but do this as an offering to the Lord.

All Discipleship housing situations are unique, and every room assignment will offer its own blessings and challenges. Prayerful consideration is used to place each students into the right room.

While students live away from their own homes and families during the year, our staff encourages students to maintain close contact with their parents and other family members. Finding time to nurture family relationships can be a challenge (not only during this season, but for a life-time), but through phone calls, emails, brief visits during the year and longer visits over the Christmas break, students can continue to prioritize these vital family connections. If at all possible, make plans before beginning the school year for any travel home. If you are not able to travel home for Christmas, let the KSOM staff know as soon as possible so that we can help find you a great alternative.

Off Campus

1st year KSOM students who are 23 years old or older and who live within 45 miles of the Eagles' Wings office and Tabernacle church for the last 6-months can live off campus. 2nd year and 3rd year students have the option of making off campus living arrangements as well.

SCHEDULE CONTINUED...

Once a month, you will be given a new KSOM calendar that will reflect new dates and more details attached to the events (such as times, transport info, etc). Those updates will be underlined so that you are aware of new changes.

You are responsible to place these dates into your calendar and arrange the necessary time off of work to attend these events. Times and details will be presented in plenty of time before the event and will be updated as new opportunities present themselves, especially outreach opportunities.

As we say every year, some things will change or pop up that are either beyond our control or something that we need to do. Please be flexible with those changes as they do not necessarily reflect poor communication on our end, but rather reflect the reality that unforeseeable things occur that require our flexibility.

**Due to our need to be flexible, there are times that classes or mtgs run late from time to time which cause our schedule to be about ½ an hour longer each day. For example; plan on leaving class at 3:30 on days that you are scheduled to leave at 3:00. You should never schedule work or appointments at 3:30, but to count on being released at that time.*

If you need time off for “greatly important”, “unforeseen emergencies” or any other “schedule conflicts” during school hours and commitments, a form is available to request off (pending approval of the KSOM Leadership). Bad planning on your part does not = emergencies. Forms must be turned in two weeks in advance.

If the disciple chooses to work part time, they will need to communicate their schedule to KSOM leadership and should not conflict with school days and required ministry times.

Any and all doctors/dentist/chiropractor/hair/massage/nail/ etc. must be on your scheduled day off. You will not be permitted to be excused for the above during school days unless written proof of appointment from your doctor.

KSOM COMMITMENTS AND POLICIES

KSOM is an intense leadership development program. We have intentionally designed guidelines for this program to help keep students ***focused*** on their growth as maturing ministry leaders, and to ***develop patterns*** that may serve them well in the years to come. All KSOM commitments and policies are in effect during the entirety of the KSOM Program, including weekends, scheduled breaks, times of travel, and mission trips.

1st Year Student Lifestyle Commitment - “I Am Set Apart”

Romantic Relationships

We ask that students abstain from all romantic relationships. Romantic relationships, while not necessarily negative, often demand much personal and group attention. By “fasting” from these relationships during the 1st Year, it allows students to focus their attention more fully on the Lord. It also allows for close, unhindered friendships to be established by ***all*** members of the discipleship group.

- In addition to not being in a “romantic relationship”, students are asked to guard their hearts and choose not to become emotionally involved with the opposite sex.
- The affection shown to anyone is expected to be the same as that shown to everyone else in the group.
- There will be no riding together as one person of the opposite sex unless otherwise approved by KSOM leadership or EW staff.

- There will be absolutely no “pursuing of a relationship” during the program. Romantic relationships are developed with three elements (Time, Talk, Touch) and can happen in a variety of different social spaces (Social Media, Phones, Group settings, Times alone, etc).
- These guidelines apply to student’s relationships with people whether in or out of KSOM. This is our “Romantic Relationship Policy.”

Media, Movies and Entertainment

Students refrain from viewing movies that have received a rating of “R” or higher. Because many students come into the internship without ever having any entertainment restrictions placed upon them, this policy is intended to provide all students with the opportunity to grow in their discernment as related to entertainment choices.

All students agree In public situations, including the car, I agree to only listen to Christian music, classical, or instrumental.

All students agree to only watch movies with ratings of G, PG, or PG-13 while in the Kairos School of Ministry.

All students agree to not attend bars, nightclubs, or drinking establishments.

Media on our phones and electronic devices is a pipeline for information as well as entertainment and distraction. We encourage students to discipline their media consumption time to pursue the Lord, His word, and relationships with believers to fully develop who God is leading them to be during this season.

Curfew

Lights Out will be at 11PM Weekdays, unless you have received special permission.

No lights out time required on the weekend.

On most evenings, students should be at home at the conclusion of EW scheduled activities. Any adjustments to the curfew must be cleared in advance by staff leaders—do not call at curfew for an extension except in an emergency. Adjusted curfew times should not be needed on a regular basis.

Prohibited Activities

Students will abstain from all immoral, illegal and unethical activities. This includes the use of inappropriate, foul, or objectionable language or communication in any form. Students also agree to abstain from the consumption of alcoholic beverages, the use of tobacco products, and vapor cigarettes or the like.

Relational Conflict/Gossip/Communication

We deal with conflict at KSOM as Christians w/ biblical process. We expect those within KSOM and EW that come into conflict to speak directly rather than gossip and speaking to others. We always seek restoration and reconciliation and know that this only comes through direct channels of communication.

Guidelines for Dress & Appearance

Students are ministry leaders representing the Lord, KSOM, Eagles' Wings, The Tabernacle. For this reason, basic guidelines have been established for Student attire. We ask that extreme styles be avoided, and that students dress in a way that brings honor to the Lord, rather than bringing attention to one's self.

Students are to refrain from getting any piercing or tattoos during the internship. Interns are also to refrain from wearing jewelry that draws extra attention to the wearer (this includes, but is not limited to, eyebrow, nose, lip and tongue rings or studs and could be asked by KSOM leadership to remove such items for the duration of the school year).

GENERAL DRESS POLICIES

- Skirt lengths (including slits) should be no shorter than the top of the knee. (Women)
- No spaghetti straps, halter tops, tight t-shirts or short-cropped tops. (Women)
- "Safety shirts" (t-shirts or tank-tops) must be worn beneath other shirts that are low cut and/or that are not tucked in. (Women)
- Sweatpants, ripped jeans, t-shirts w/ logos, hats, shorts, and flip flops are not permitted in office and ministry settings.
- All shirts must be tucked in if one's back is exposed when bending over.

DAY TO DAY DRESS @ KSOM

- Nice jeans, w/ nice shirts and sweatshirts may be worn, as long as they are not tight, do not have holes and are not frayed.

SUNDAY AM @ THE TAB

- For services, conference, and church attendance - dress shirts must be ironed.

MINISTRY TRIPS w/ KSOM & EAGLES' WINGS

- dress shirts must be ironed. Jackets and ties are preferred.

General KSOM Policies

Punctuality and Attendance

Part of our credibility as leaders has to do with being where we're supposed to be, when we're supposed to be there! When we are late, we not only miss opportunities to serve, but we show a disregard for those who are waiting for us. Because of this reality, we emphasize punctuality. Students must ensure that they are on time or early to each Eagles' Wings assignment or other scheduled appointments.

Notes regarding punctuality and attendance:

- When emergencies arise, Students **must** contact the KSOM Director staff along with others who may be affected by their tardiness or absence—Host-Families, mentors, department Leaders, etc. Make sure to contact these people as soon as the emergency arises.
- Schedule non-emergency appointments (doctor's visits, haircuts, etc.) on evenings, Saturdays, Sundays or other "off times."
- Do not run off-campus errands during the short breaks prior to work assignments, classes, events, etc.
- Students have 2 sick days, and 3 personal days that are allotted to them during the school year. It is expected that interns plan their personal days ahead of time with Leadership and their Department Leaders.

Cars and Transportation

Students must follow all New York State laws when driving.

Personal Vehicles: Students who are pre-approved to bring personal vehicles must provide for their auto insurance & all expenses during their time in the internship. Car repairs are the responsibility of each individual.

Dismissal Policy

The nature of this program is such that it is designed to attract and nurture those who are serious about their relationship with God and their call to serve His Kingdom. Accordingly, it is not expected that problems or infringements of these rules would occur. In the event that a serious infraction of these rules occurs, the KSOM Leadership Team of EWM will file an Incident Report into the student's file.

- A second infraction will result in a second Incident Report being filed and a phone call to the intern's pastor and /or parents.
- A third infraction will result in the dismissal of the student from the program.
- Incident reports are only filed by the Leadership Team. However, staff can make recommendations for the filing of a report to the Leadership Team.

Incident Reports are filed for:

1. The clear breaking of a rule; or
2. An ongoing attitude or character issue that has been addressed by leadership but not corrected in the student's life.

It is always the goal of Eagles' Wings staff to seek restoration with students whenever KSOM or Eagles' Wings policies or guidelines have been violated. If corrective actions have not helped a student to keep from repeating violations, however, or if the violation was significant, dismissal from the KSOM program could become necessary. Corrective actions, short of dismissal, are always considered in order to bring about restoration. KSOM Leadership reserves the right to dismiss a student when there is a grave breaking of the rules or a moral/ethical situation that the leadership feels is outside the parameters of this program to address.

If dismissal from the KSOM program is deemed necessary by KSOM staff and EW Ministry Council leadership, it would result in the loss of a significant portion of a student's tuition. A refund schedule is included in the "KSOM Finances" portion of this manual.

Use of Time on Campus

Students do not have "down time" during office hours. While this is true, there certainly will be times when students will find themselves in-between assignments, wondering what to do. These "in-between times" need to be filled with productive activity (remember that you are a leader, serving the Lord and other people with your time). You are responsible to always have a plan of what to do when in-between assignments. You may choose to read the Bible, journal, memorize Scripture, pray, complete homework assignments, read books or articles related to the internship, or work on organizing or cleaning an office. Students may not access social networking websites (twitter, facebook, etc.) during office hours. Students are to limit their use of cell phones during The KSOM Year. Students may not play video or computer games while on the ministry campus.

Medical Policy

1. Students are responsible for their own health insurance while they are in KSOM, and are required to submit a paper copy of insurance information to be filed should it be needed in an emergency.

2. All major dental work must be completed before entrance into KSOM.
3. While in KSOM, all non-emergency medical or dental appointments should be scheduled during the student's free time.
4. Before coming to Buffalo, out-of-town students should discuss and plan with their parents/guardians the way they want to handle minor emergencies or sickness requiring a doctor's care.
5. Students should have money set aside in case they need to visit a doctor or minor emergency center.

Outside Employment

The KSOM Schedule is full, heavily scheduled, and incorporates assignments that must be completed on students' personal time—including homework, service projects, chores, and misc events, and spending time with family. The reality is that the program offers little time for outside commitments. However, students who feel they can manage their time wisely can seek outside employment. KSOM monthly schedules will be given to all students.

If the student chooses to work part time, they will need to communicate their schedule to KSOM leadership and should not conflict with school days and required ministry times. KSOM scheduled events must take priority over work hours.
